

## **PANDEMIC OF FEAR 2020 REASON, REAL CAUSES AND EFFECTS**

### **REASON :**

Coronavirus SARS-CoV-2 in Wuhan (China) in December 2019

### **REAL CAUSES :**

- Technical and methodological errors in <<Emergency use of ICD codes for COVID-19 disease outbreak>> causing multifold exaggeration of patients and dead from COVID-19 (Annex 1).
- WHO Director-General's statements on "future pandemics" (Annex 2).
- Excessive advertising of exaggerated statistics on the cases and deaths from COVID-19
- Lack of appropriate quarantine and lockdown measures
- Absence of law punishing the spread of the pandemic of fear

#### **RESULT 1:**

The emergence of the  
Pandemic of Fear

#### **RESULT 2:**

The emergence of incessant  
financial, social, political,  
economic, humanitarian  
and psychological crises.

#### **RESULT 3:**

Transfer of the confiscated property  
from the victims to the organisers  
of the crisis. The beginning of the  
totalitarian regime.

### **POSSIBILITY OF PREVENTING TOTALITARIAN REGIME**

**The transition from the era of the Homo Sapiens to the era of Homo Humanus**
